

# DRIVING FREIGHT FORWARD

## VIDEO CHAT WITH WEBB ESTES

Our President and COO shares the experiences that have prepared him for his new role and how they've shaped his vision for the future of Estes. [Watch here!](#)

## LTL INDUSTRY TRENDS AND INSIGHTS

As an early adopter of the digital LTL council's new common standard for electronic bill of lading, Estes is already gaining efficiency and streamlining operations. [Learn more](#) about this initiative and how it's impacting the LTL industry.

## THE LATEST FROM ESTES

Estes is proud to be the recipient of Supply Tech Breakthrough's Innovation of the Year award for our industry-leading Pickup Visibility application! [Learn more](#) or check out [Pickup Visibility](#) and all our new and enhanced shipping tools when you log into [My Estes](#).

## SHIP SMARTER

Freight packaging is the first and most essential step in the LTL shipping process. For tips on how to package your freight more safely and efficiently, check out [our helpful packaging guide](#).

## GOING THE EXTRA MILE

Estes is proud to once again support Children's Hospital of Richmond at VCU by helping pack the playroom full of wish list items to inspire creativity and play! [Read more](#).

**NEW!**

[Transport Topics](#) • [Wall Street Journal](#) • [Estes Newsroom](#)

 **Been There. Shipped That.** So far this year, Estes has already shipped 1.5 million Final Mile shipments!
